**Economic Impact on Small Businesses**

**1. Estimate of the number of small businesses, classified by industry sector, that will be subject to the proposed rule.**

[IC 5-28-2-6](#) defines a small business as a business entity that satisfies the following requirements:

- (1) On at least fifty percent (50%) of the working days of the business entity occurring during the proceeding calendar year, the business entity employed not more than one hundred fifty (150) employees.
- (2) The majority of the employees of the business entity work in Indiana.

There are seven (7) abortion clinics subject to the proposed rule.

**2. Estimate of the average annual reporting, record keeping, and other administrative costs that small businesses will incur to comply with the proposed rule.**

The proposed rule amendment imposes no additional reporting, record keeping, or administrative costs on small businesses.

**3. Estimate of the total annual economic impact that compliance with the proposed rule will have on all small businesses subject to the rule.**

The proposed rule amendment imposes no economic impact on small businesses.

**4. Statement justifying any requirement or cost that is imposed on small businesses by the rule; and not expressly required by the statute authorizing the agency to adopt the rule; or any other state or federal law.**

The proposed rule amendment imposes no additional requirements or cost on small businesses.

**5. Regulatory Flexibility Analysis**

No regulatory flexibility analysis is necessary because the proposed rule amendment imposes no costs on small businesses.
